

Greetings Brothers and Sisters in Christ!

Our Kansas LINKS has partnered with the Nazarene Hospital Foundation and with Heart to Heart International, in a challenge to send over \$3.6 million in medical supplies this year to the Kudjip Hospital in Papua New Guinea! To do that we need 12 Kansas churches to provision \$300,000 each; to not just be LINKS churches, but to be HYPERLINKS churches!

Oh it's a big task, a big number...but God is ready to multiply!

And even though today's troubled economy would like to tell us that this goal is impossible, we praise His name even more, for He is God! He is not bound by financial rules of man. His treasury is endless, and He desires to multiply our efforts in this mission.

Here is His plan:

The Nazarene Hospital Foundation is ready to ship the supplies overseas in an open-sea container at a cost to them of \$8,000. But they must receive the medical supplies in their warehouse in Oregon to stage and package them for the long trip. On the other hand, Heart to Heart is ready to donate the surplus supplies from some of the larger KC hospitals, but they cannot ship them out. So that's where you come in. Your church can provide the funds to ship the supplies from KC to Oregon. For a total of \$500, your church can be a part of one of God's multiplication miracles and send \$300,000 worth of medical supplies to a third-world country.

That's right! \$500 for \$300,000!

Churches can send their check by mail, or click online:

Please send me an email when your donation is submitted so it can be counted and posted to the district website (www.ksnazarene.org/mission-links.htm). This is a first-come-first-serve opportunity for all Kansas District churches and there are limited spots (\$500-donations) available. VBS offering, teen fundraiser, individual donors, regular giving – all methods used by current HYPERLINKS churches.

Grace and peace be multiplied to you,
(1 Peter 1:2)
